

# Becoming a Champion Guide

## The Journey Begins

Hello champion come sit next to the fire your journey begins. I can see you're a badass I can feel the intensity in your passion. I know you.

I've been where you are and I am looking forward to helping you as you step into your greatness in business and life.

Here are some things you need to know on this path.

1. It is not necessary but beneficial to take each level in order
2. Each level video will have an accompanying handout or guide make sure you complete it
3. When you finish a video click the black button below to share
  - a. your lessons learned
  - b. What actions you will take moving forward
4. Go at your own pace this is a journey not a quick fix
5. Accountability is key share your learning to stay on the path

What is your current age \_\_\_\_\_ (For your eyes only)

Realize that on this journey you have many years of bad habits trying to do more, be more and become more. You are amazing and this will take time to see the results of your effort. Go for it and let nothing slow you down.

Why do you want to become a champion?

---

Do you commit to becoming a champion? \_\_\_\_\_

Will you stay in the fight until you unleash your greatness? \_\_\_\_\_

I challenge you to put in the work, train your ass off, and strive for a fun life becoming who you were always meant to be.

I am proud you have come this far. Follow the Path to Becoming a Champion greatness awaits!
